

FF Golden Oil Naturland

Organic supplement for growth, firm meat and healthy, tasty fish

FF Golden Oil Naturland is produced from 100% trimmings from the fishing industry - approved and certified as ecologically and socially responsible protein supplement from Naturland, which is one of the world's most respected ecological brands. Naturland has more than 53,000 members and works in accordance with organic standards which is stricter than e.g. the German ecolabel, Bio-Siegel.

FF Golden Oil Naturland is produced in a fast, hygienic and controlled production, which provides a clean, fresh product with an exceptionally low content of free fatty acids. The very low free fatty acid content increases the appetite of the fish, because the oil both smells good and tastes good - exactly like their natural food: fresh fish.
